

# Science, Faith and Healing

*Woman's Breakfast – 8<sup>th</sup> December*

Women's Breakfast, taking place in the Upper Hall from 9 - 10.30 am.

The Revd Dr Gillian Straine will be talking about science, faith and healing.

Gillian is passionately committed to health, healing and Christian living.

She is a cancer survivor, Anglican priest and pastoral theologian keen to bring the study of science into conversations about Christian healing.

If you would like to attend, contact:
